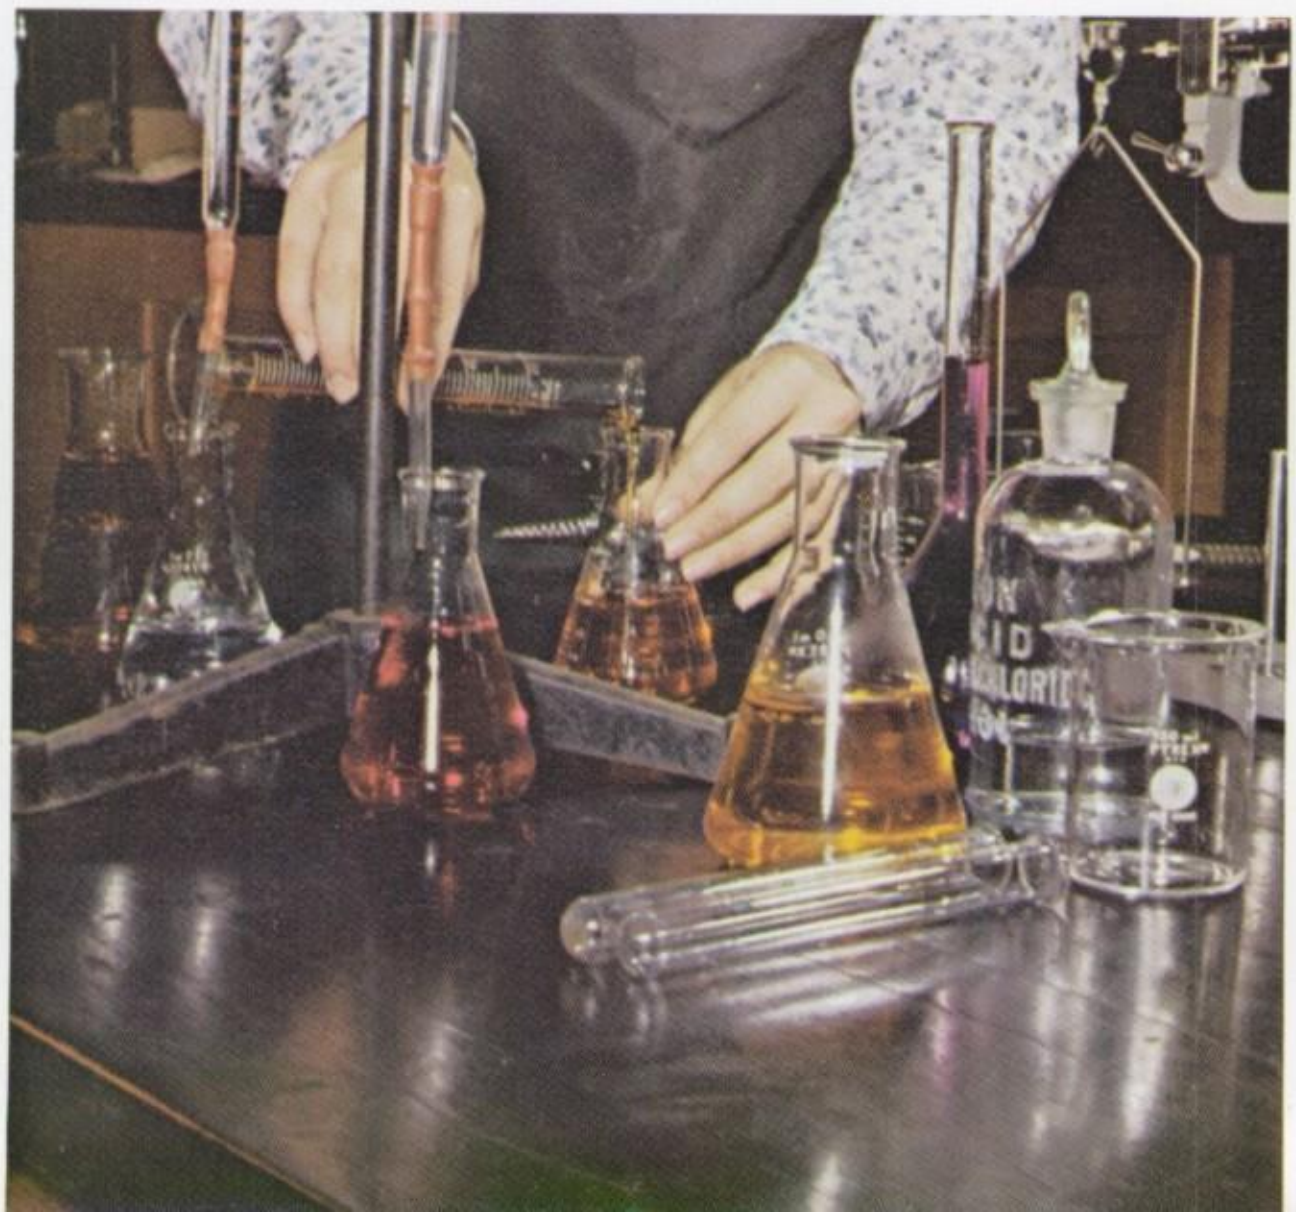
It is not easy or commonplace
for an Annual to present
to it's readers the true
emotions, feelings, or thoughts,
which are experienced
by the school body during
a given year.

We speak **not** of those things
which are **expected** to happen at West—
at any school—those things which
provide the reader with a superficial
idealistic impression, but rather
those that we remember only by
looking deep within ourselves.
What you will see and read in
this book is what **really** happened,
what we **really** remember,
what **really** will shape our memory
of West. This IS West—as it is . . .

THE WESTERNER . . .



West is:
The newness of chemistry
labs for seniors,

The carefree, happy rush
to the parking lot
at the 3:30 bell,

The feeling of "maturity"
for a sophomore smoking
that first cigarette
at the "Pit"!

And Colonel Archibald
who was occasionally
missing but never-
the-less a rallying
point for Spirit.

West is:
The quiet moments with
someone special,

The exciting times
with "The Crowd",

The moments of finding
the reference for that
research paper.

THE WEST INDIES

THIN

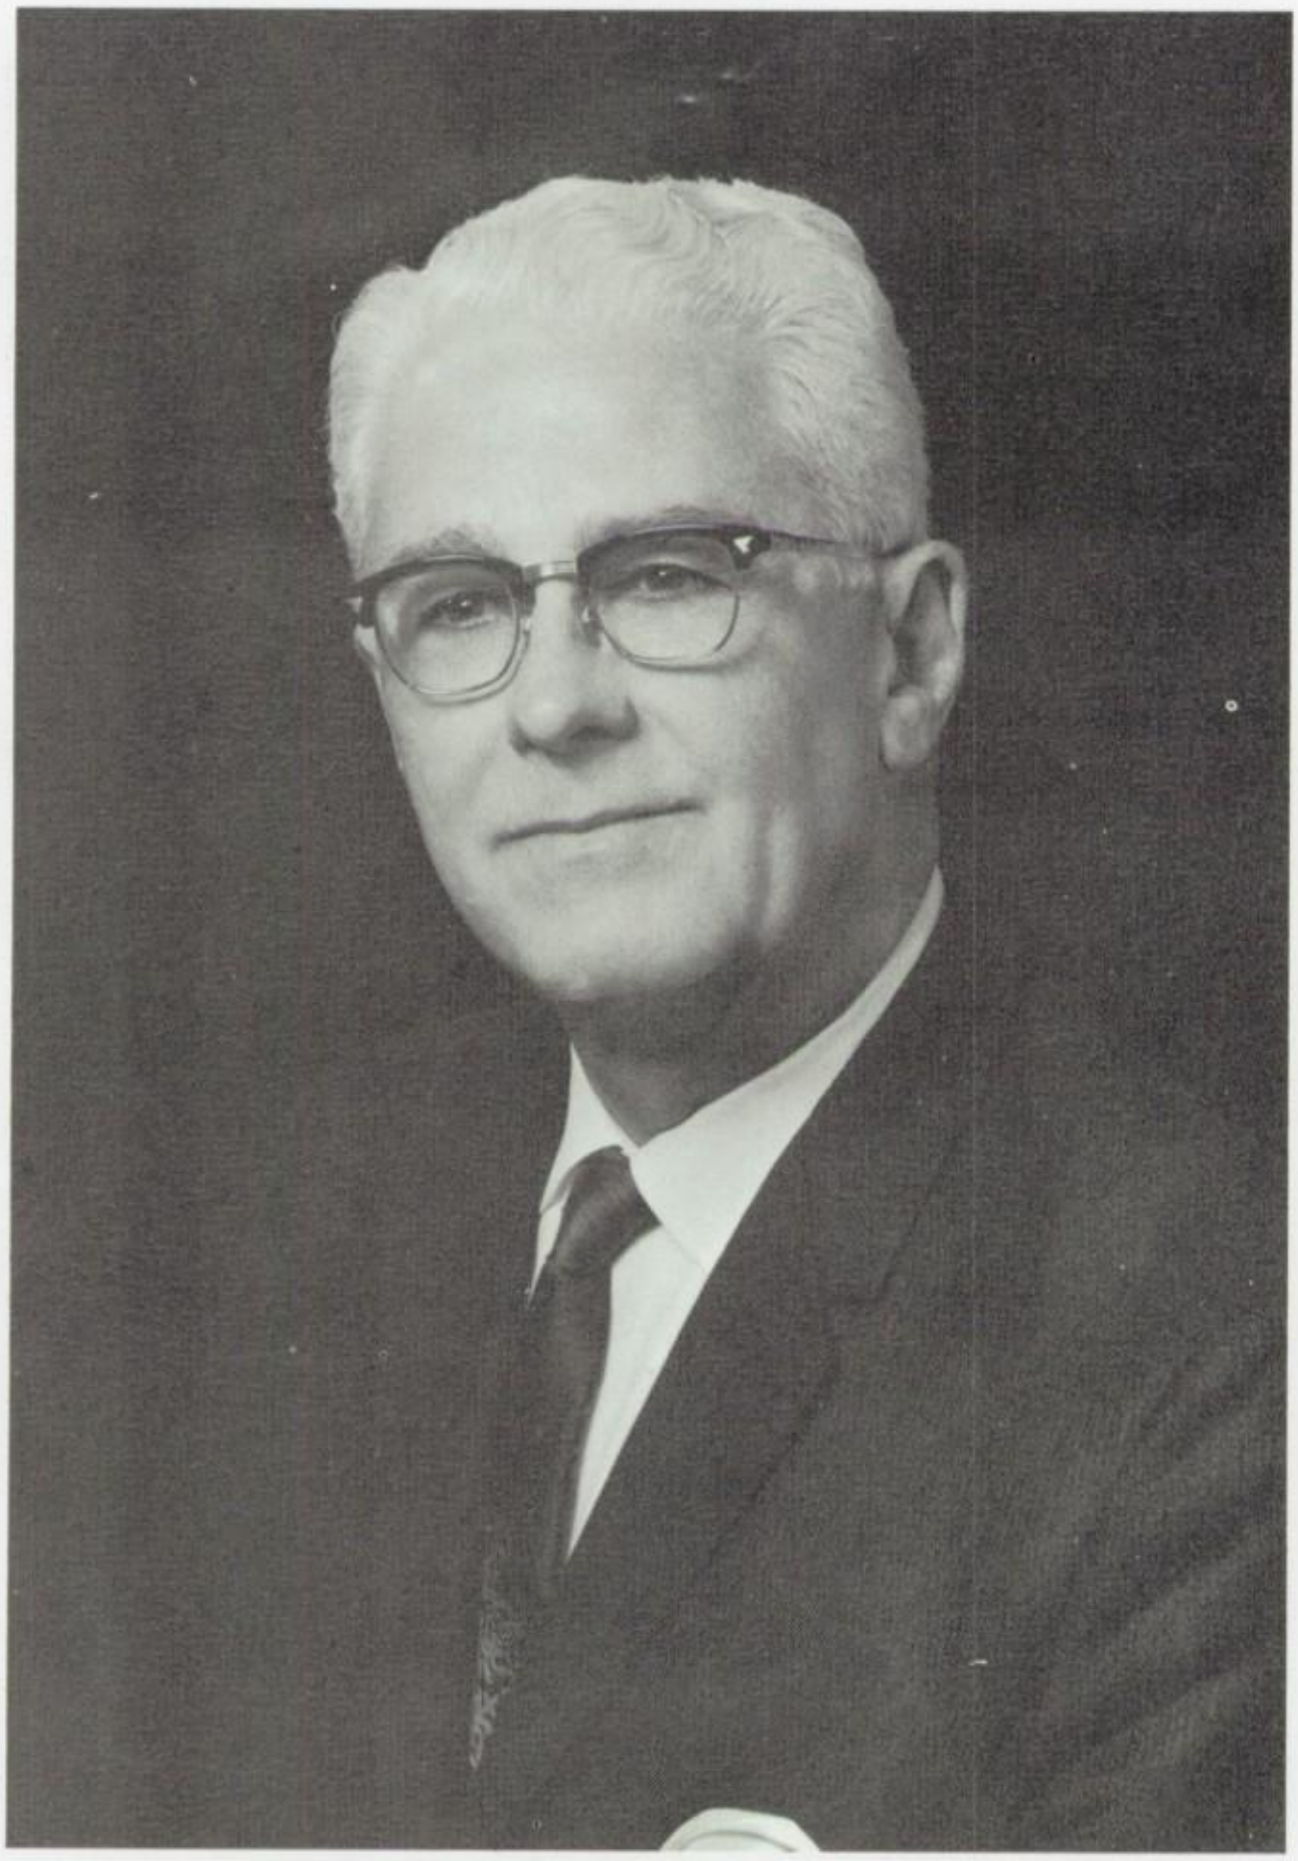
West is:
Waiting for some hot-chocolate
on a cold night,

Anticipating the end of that
long lunch line,

Hoping that the wait for the train
will be an excused tardiness,

And, finally, hoping the four years
will end with some sense of accomplishment.

Dedication



Mr. R. E. C. Love

Since 1951 Mr. Love has been chief administrator of West High School. His high standards of excellence and personal integrity have influenced the life of every West student. In recognition of his service and unselfish devotion, the 1969 WESTERNER is respectfully dedicated to Mr. R. E. C. Love.

Today's Dreams Become Tomorrow's Realities with Help of Guidance Counselors

"Are there anymore people waiting to see guidance counselors?", asked the assistant. Usually there were. Almost every student sought help on some type of school problem during the year. Miss White and Mrs. Hina were always available to answer any questions about schedule changes, credits, colleges, or business schools.

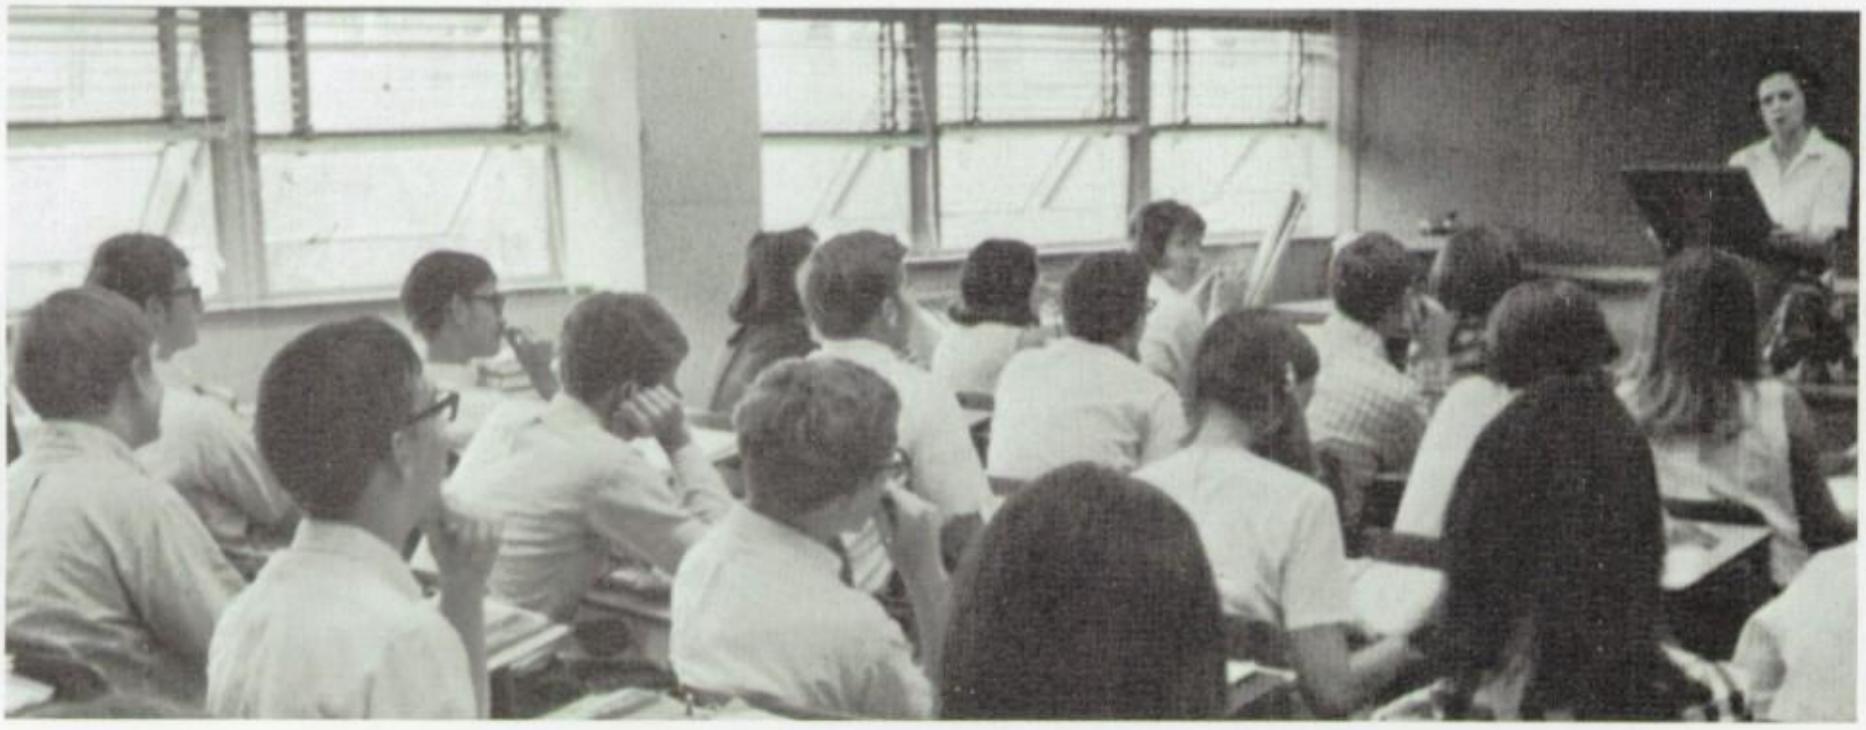
Means of Self-Expression

Mrs. Alford

Mrs. Cannon

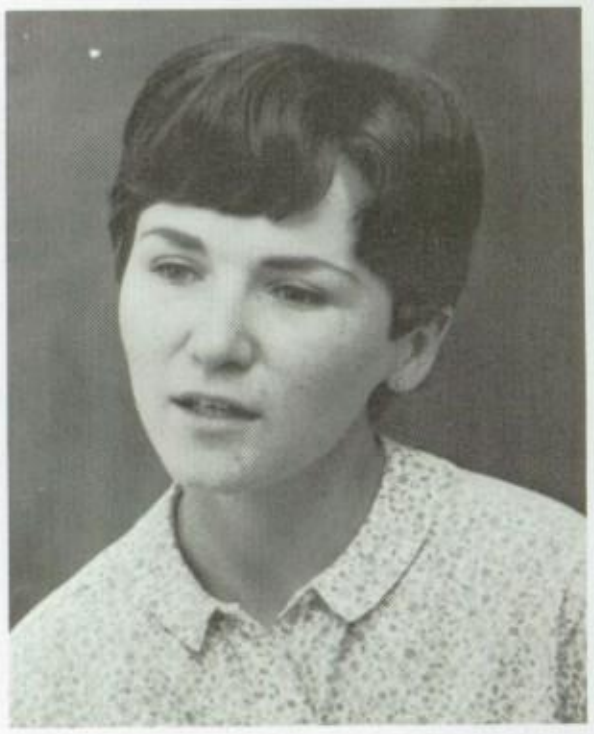
English students strive to understand their world through literary works.



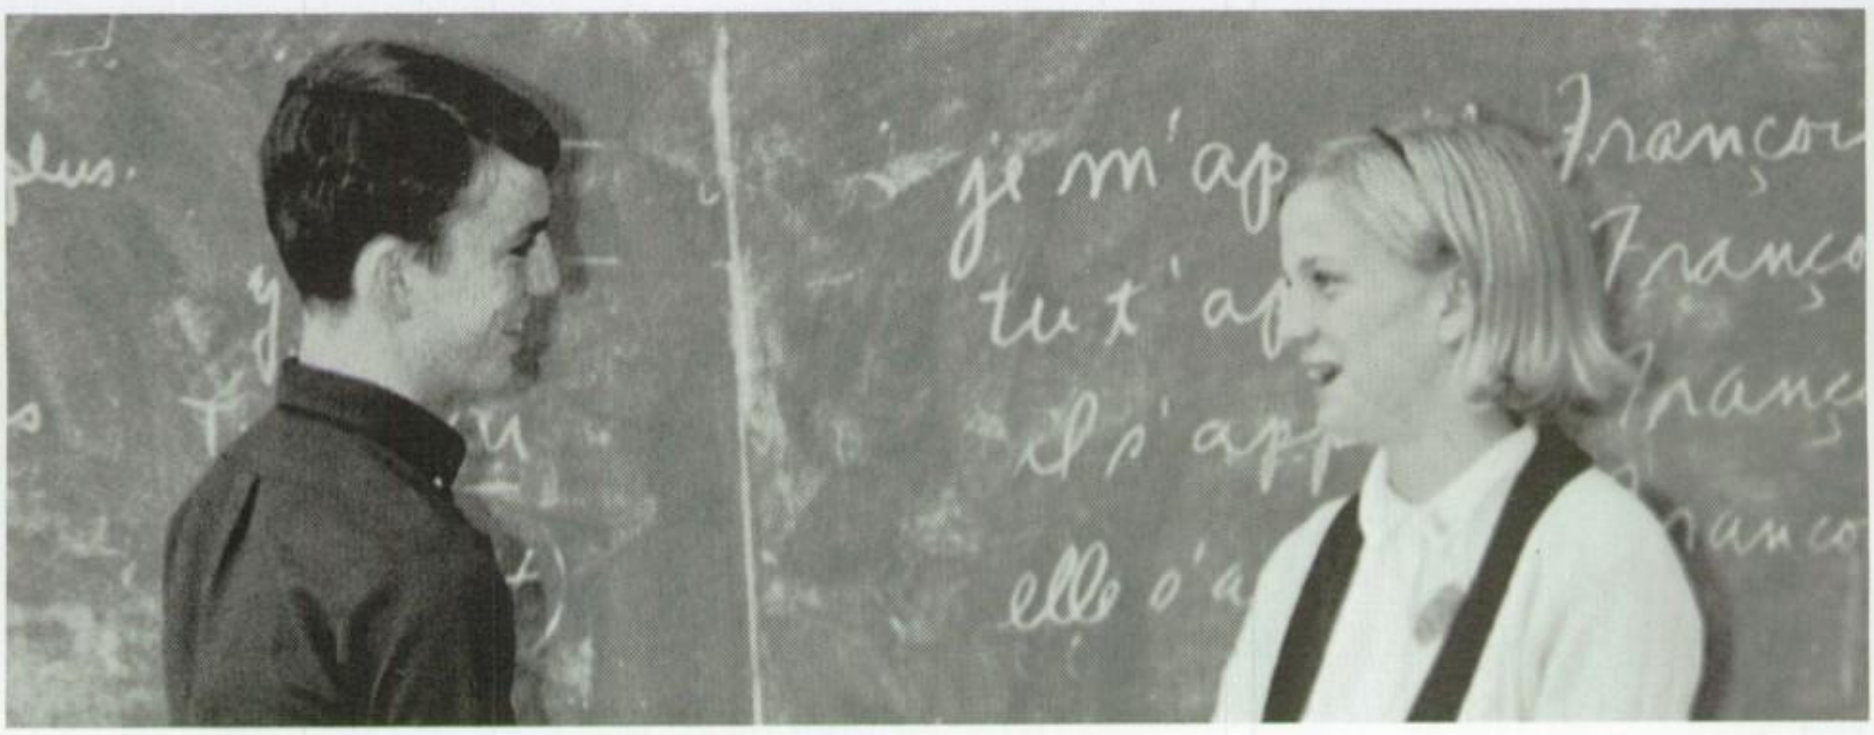
"Is that oral report really worth extra credit?"

From
"To be, or not to be: that is the question:"
To e. e. cummings'
"in Just—
spring when the world is mud—
luscious the little
lame balloonman
whistles far and wee"
English students could study a great variety of literature. It was a great challenge and sometimes fun for many students to reach the "hidden" meaning of course. Journalism and speech, helped students express themselves clearly.

Students Gain Understanding of Other



Miss Davis



Students practice the skill of conversation in a foreign language.

Mrs. Mayfield

Mrs. Wilson

Cultures Through Foreign Languages

"Did I say that?"

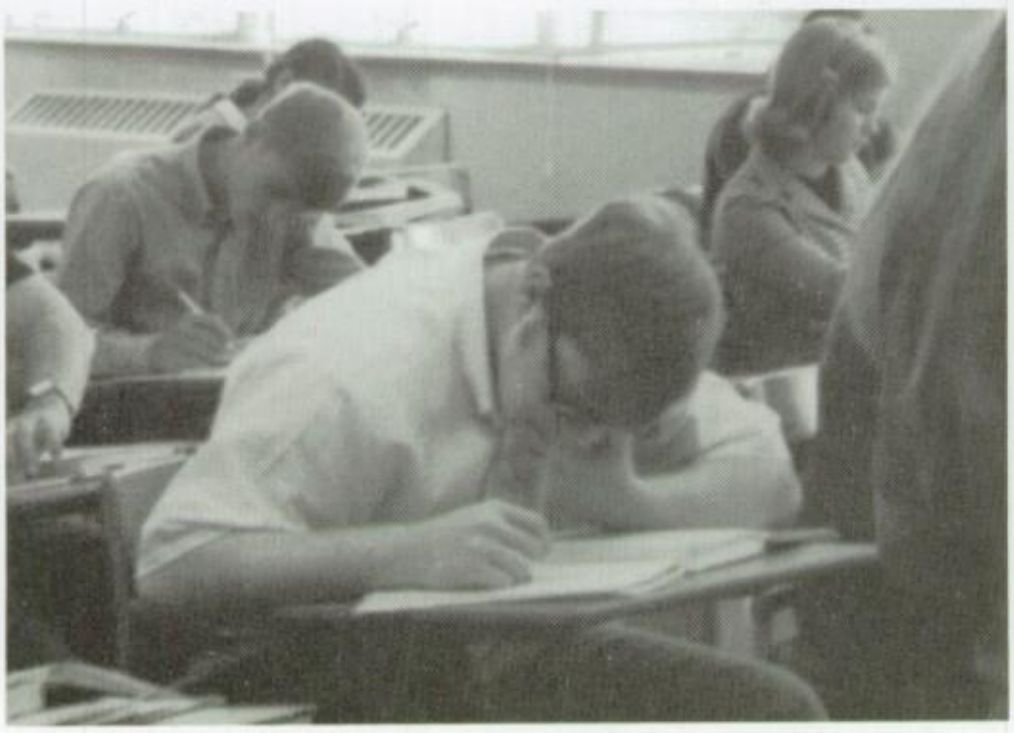
Mrs. Smith

"Esto es como esta. C'est comme ca. Das ist wie es ist." This is how it was in the language department at West. Any student could learn the fundamentals of German, Spanish, or French. A student might also learn Latin, which is the basis for almost all languages. At West the foundations of many languages could help lead students toward the goal of making this a better world.

Even though the radio is tuned out, language labs can still be interesting.

Mrs. Roush

Miss White



Psychology helps us understand ourselves and others.

Mrs. Eaves's students, trying to keep their minds on American history, wonder what happened to the bell.

Social Studies Help Strengthen

"Washington, Adams, Jefferson," recited another student in American History. Since everyone who graduated from West would automatically have a social studies minor, these subjects were very well known parts of the life at West. Students learned in Economics how and why to utilize scarce resources. Psychology helped students obtain a better understanding of their problems in guiding their lives and fulfilling their potentialities as individuals. Social Studies, too, is all a part of West, "as it is."

Maps help students to locate historical sights.

Imaginative Thinking

"Eek! It's moving!"

One of the most exciting and anticipated events of a typical day might have been dissecting a worm, or better yet, a frog. Although going to lunch afterwards wasn't advisable, the experience in science was well worth it. In physics and chemistry students learned more about the logic and forces in nature. The science department offered not only peculiar smells from the chemistry lab, but also much knowledge.

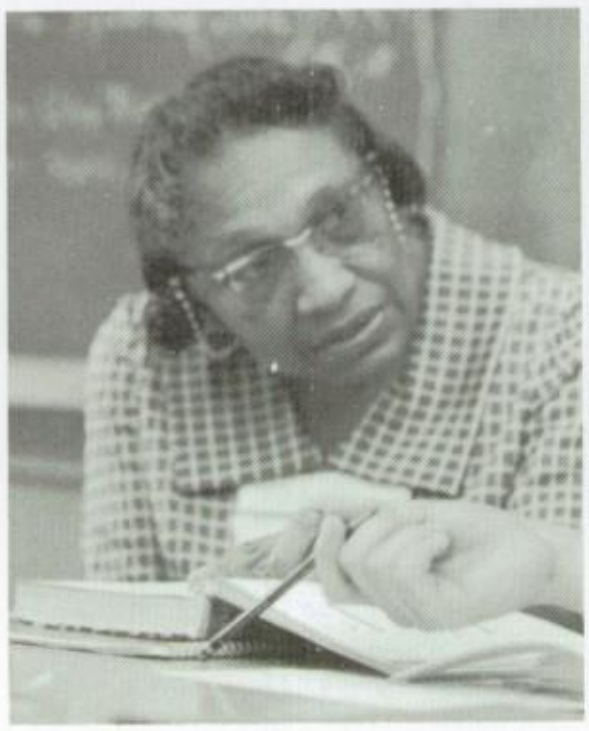
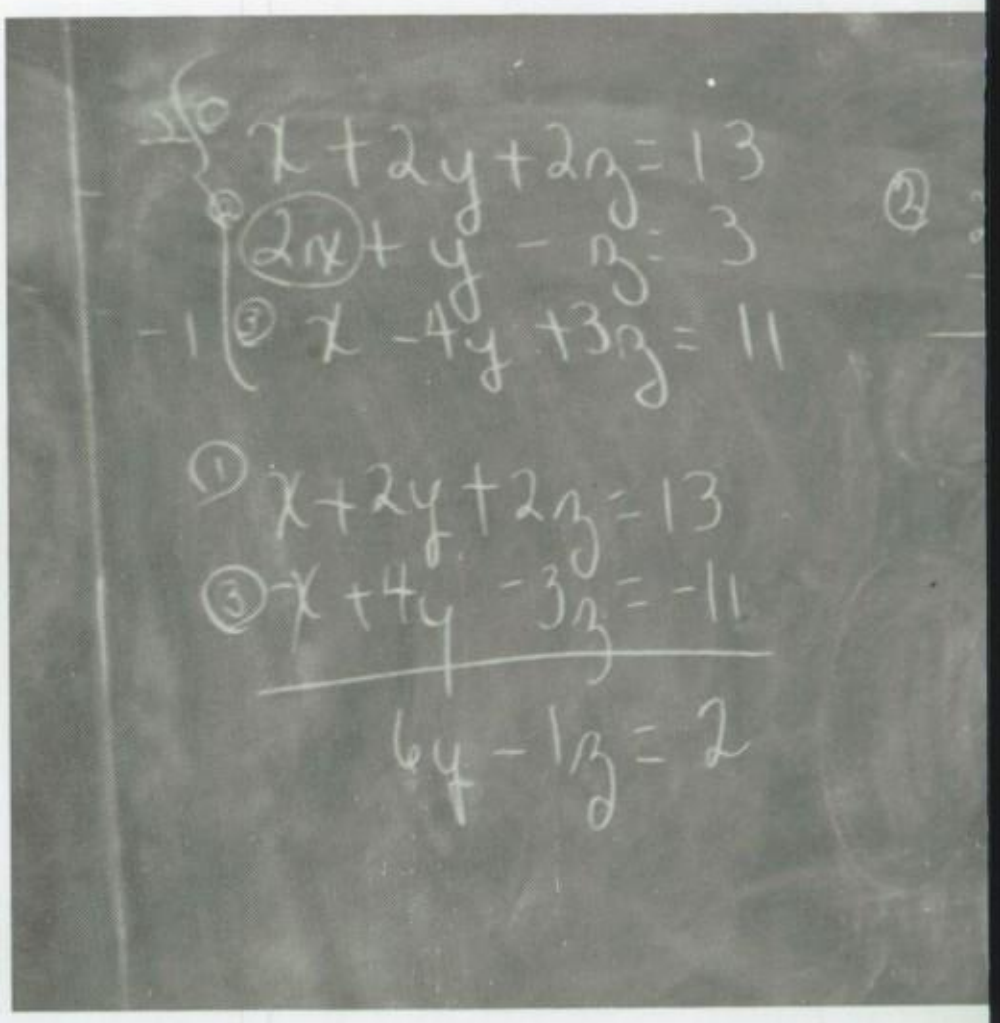
Math Helps Systemize Knowledge

Mrs. Henson

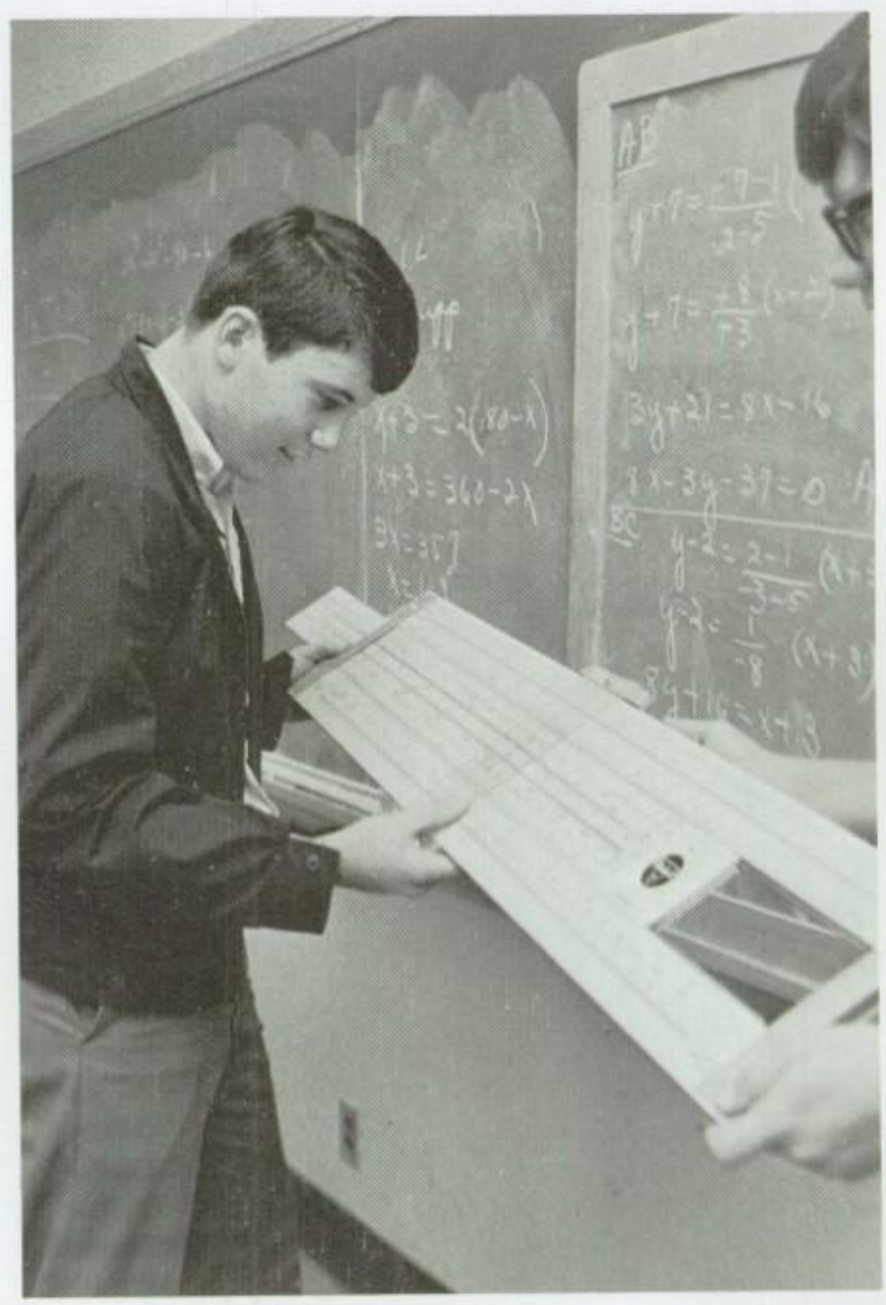


Mrs. Roberts



Marty Warwick evidently went through the fifth grade.

"Boy, I'd hate to carry that around all day!"



The world involving protractors, slide rules, and compasses usually posed a big threat to beginning students in mathematics. Analyzing and solving everyday geometry problems taught logic and reasoning which would be useful for a lifetime.

"Well, I flunked another one," was a familiar sigh for students as they came out of their classes. Most students, however, finally understood logarithms and square roots and continued to another troubling year in senior math. Actually, for most students, the math department was not quite so difficult, and they learned a great deal of the ever changing world of numbers.

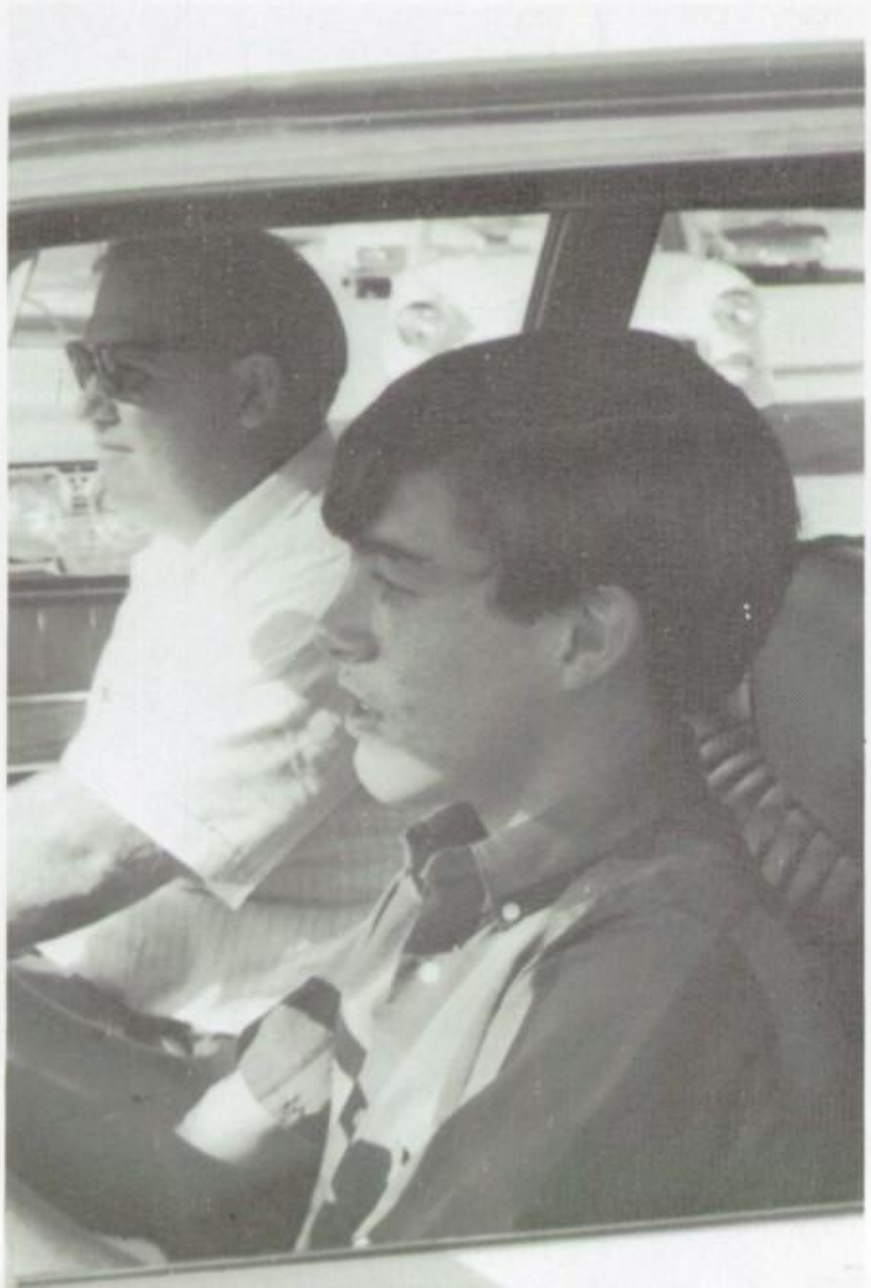
Mr. Shelton

Drivers Ed. Lowers Highway Statistics

Students were often terrified at the prospect of taking their first drive.



Finally it was time to get in the car and behind the wheel. The driver education student's first experience kept nerves taut, but as he cruised down the road, he noticed people looking at the sign on the side of the car that read "Driving Students". Luckily most of the other drivers were aware that the sign meant approaching danger. When a student had completed the course he was ready to cope with the hazards on today's highways.

Business Courses Help Careers

Mrs. Morgan

Music makes typing easier.

Job stations give students business experience.

Mrs. Fendley

Business Skills Practiced in D.E.

Students find D.E. shop a convenient place to buy supplies and other school necessities.

To the Distributive Education student, D.E. "gives the opportunity to have financial independence, credits in high school, social contact, business opportunity, and experience in future jobs."

Distributive Education's advisor and teacher, Mrs. Fendley, taught the students how to apply for, and meet the requirements of many different types of jobs.

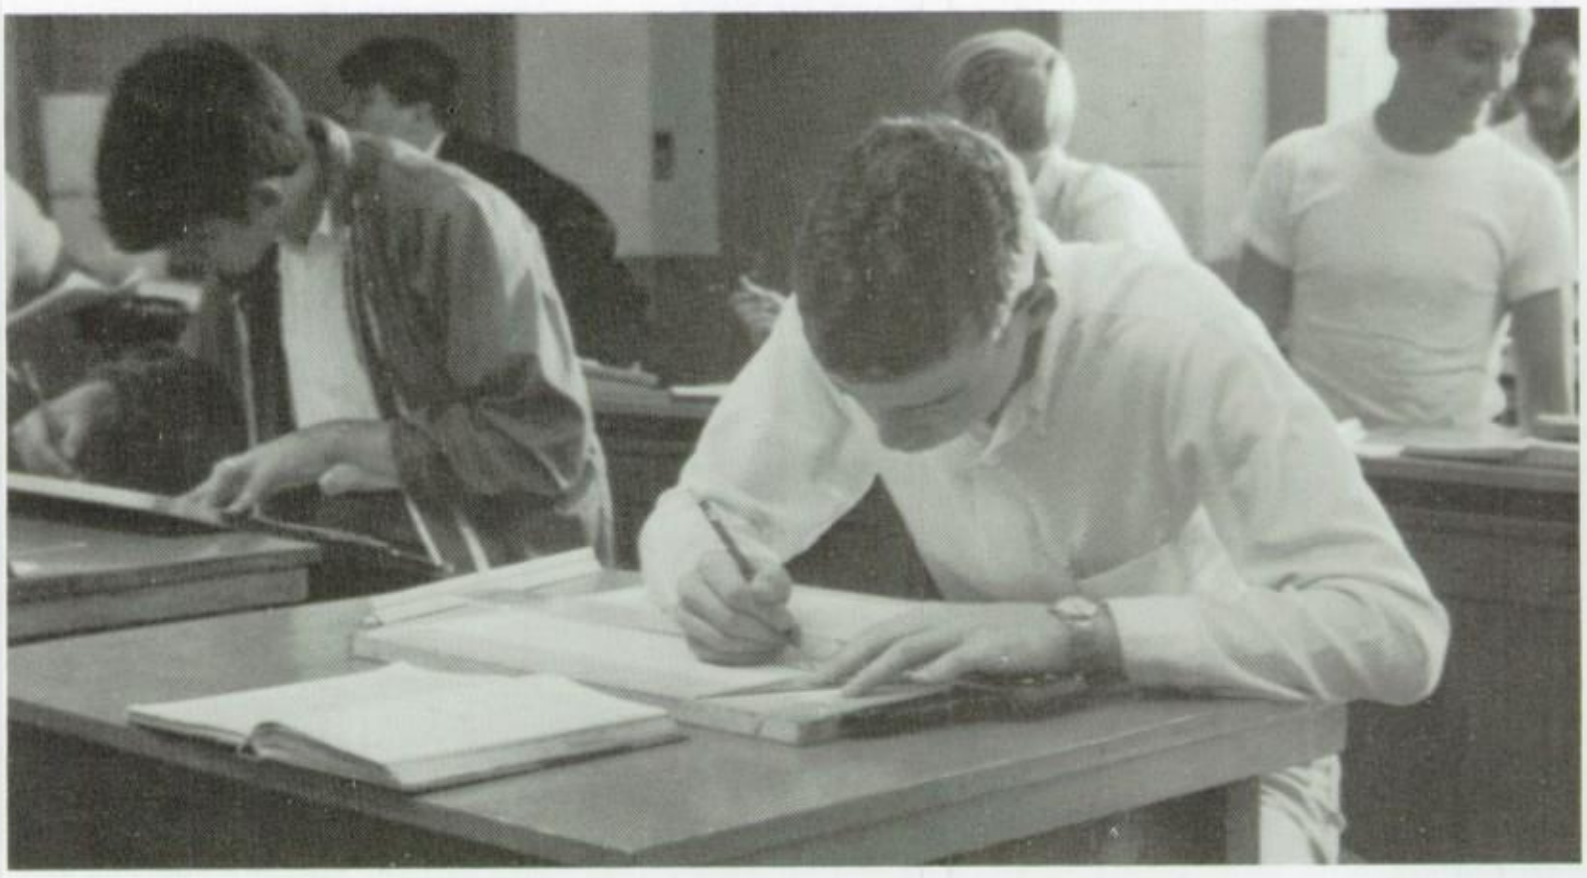
Most students left school each day at 12:30 to go to their training stations after having taken their required subjects in the morning. D.E. was indeed a "lifesaver" to those who want experience in job training or who do not plan to attend college.

Mechanical Abilities Are Developed

Mr. Smith

"Zzzzz!" The familiar sound of skill saws was heard from woodshop. The boys learned to make blocks of wood into chairs, desks, or tables. Their skilled hands were trained to create new objects with the precision of professionals. The boys could always take pride in the near perfection of their work, and could use their skills working around the home.

Useful items take shape in woodshop.



A good eye and a steady hand are necessary in drafting.

Art Exhibits Creativity

Self-expression

Mrs. Turley

Art, in a sense, is a kind of magic; and the artist is the magician. He gives simple materials, such as paint and clay, dimension and meaning. Art students could develop an exciting hobby, or perhaps a career. Many times during the school year the art students made the halls at West more attractive with their original displays.

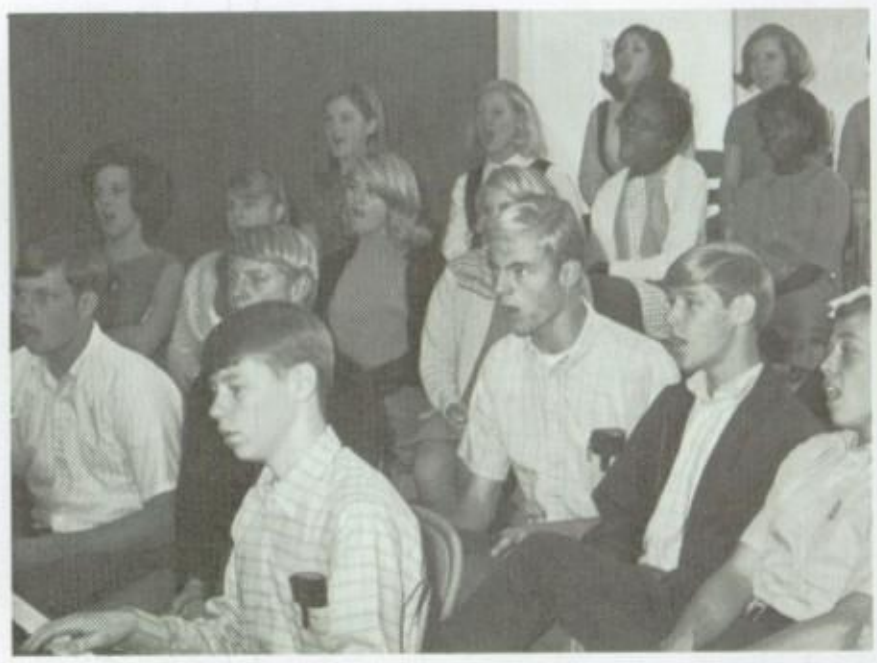
Chorus and Band Balance Academic Work

Mrs. Wilhite

Mr. Smith

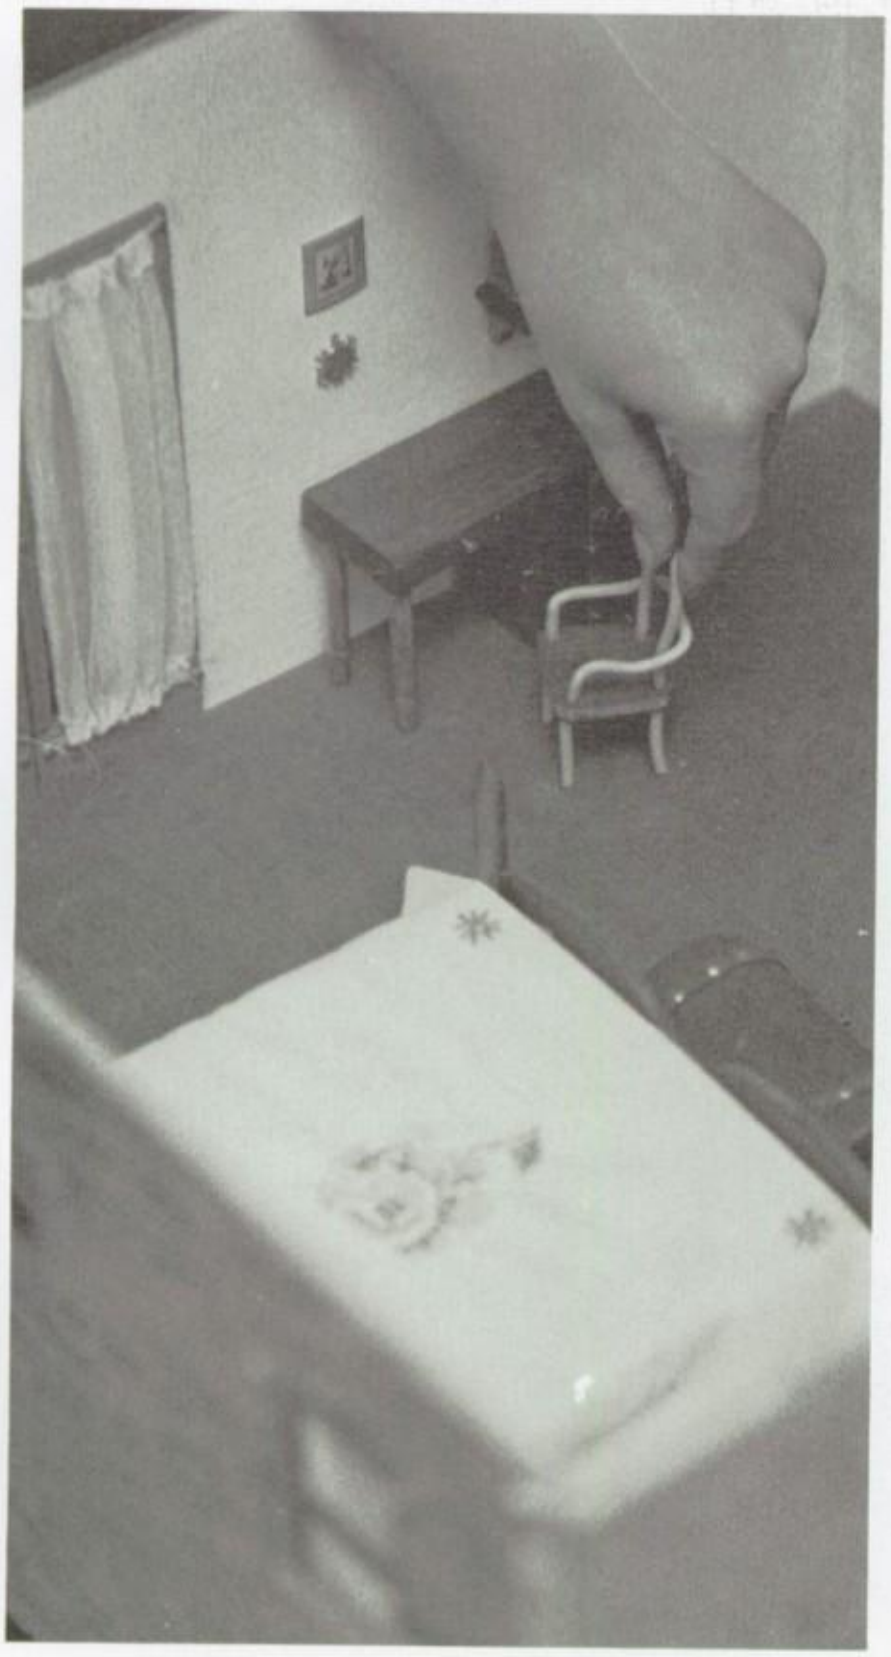
Spirit is always raised when the band plays Dixie.

At one time or another during the year all of us came in contact with a part of the music department. Either the band, mixed chorus, girls chorus or some special activity of this type caught our interest and involved us in the musical world. These elective courses offered a very welcome change from the daily routine.



Chin up, you'll find that note.

Girls Prepare to Manage Future Homes

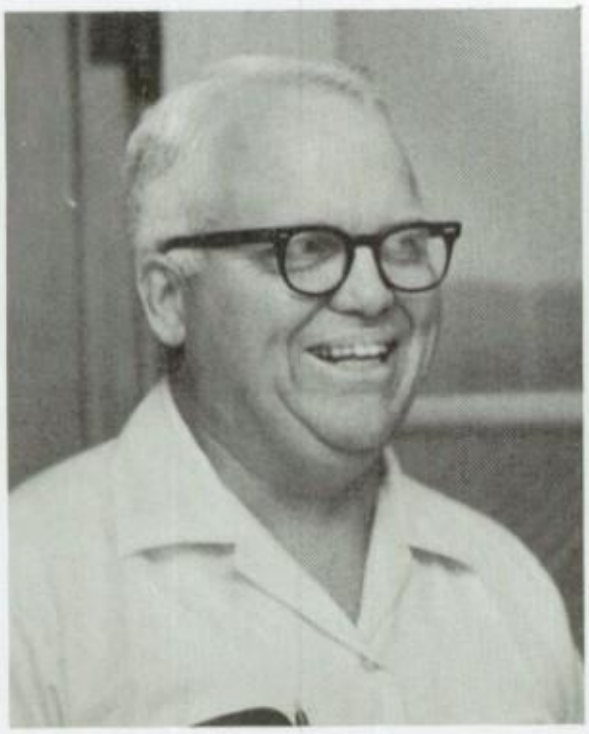


Girls learn interior design in Home Economics.

Mrs. Hendon

Sewing, cooking, home furnishing, consumer economics, family relations, crafts—these activities gave girls a background in managing good households. Home Economics offered an opportunity for girls to express their creative abilities in many ways.

"Well, it's better than the lunchroom."



Mr. Mitchell

"Remember, boys, touch not tackle!"

Phy. Ed. Provides Vigor for Humdrum Days

"Run, Baby, Run", shouted Mrs. Wynn as a girl ran the shuttle run in a slow eleven seconds. Meanwhile Mr. Mitchell yelled at the boys who were goofing off instead of playing basketball. In both classes students strove to meet the standards of The President's Youth Physical Fitness Council. Physical Education contributed greatly to the school day.

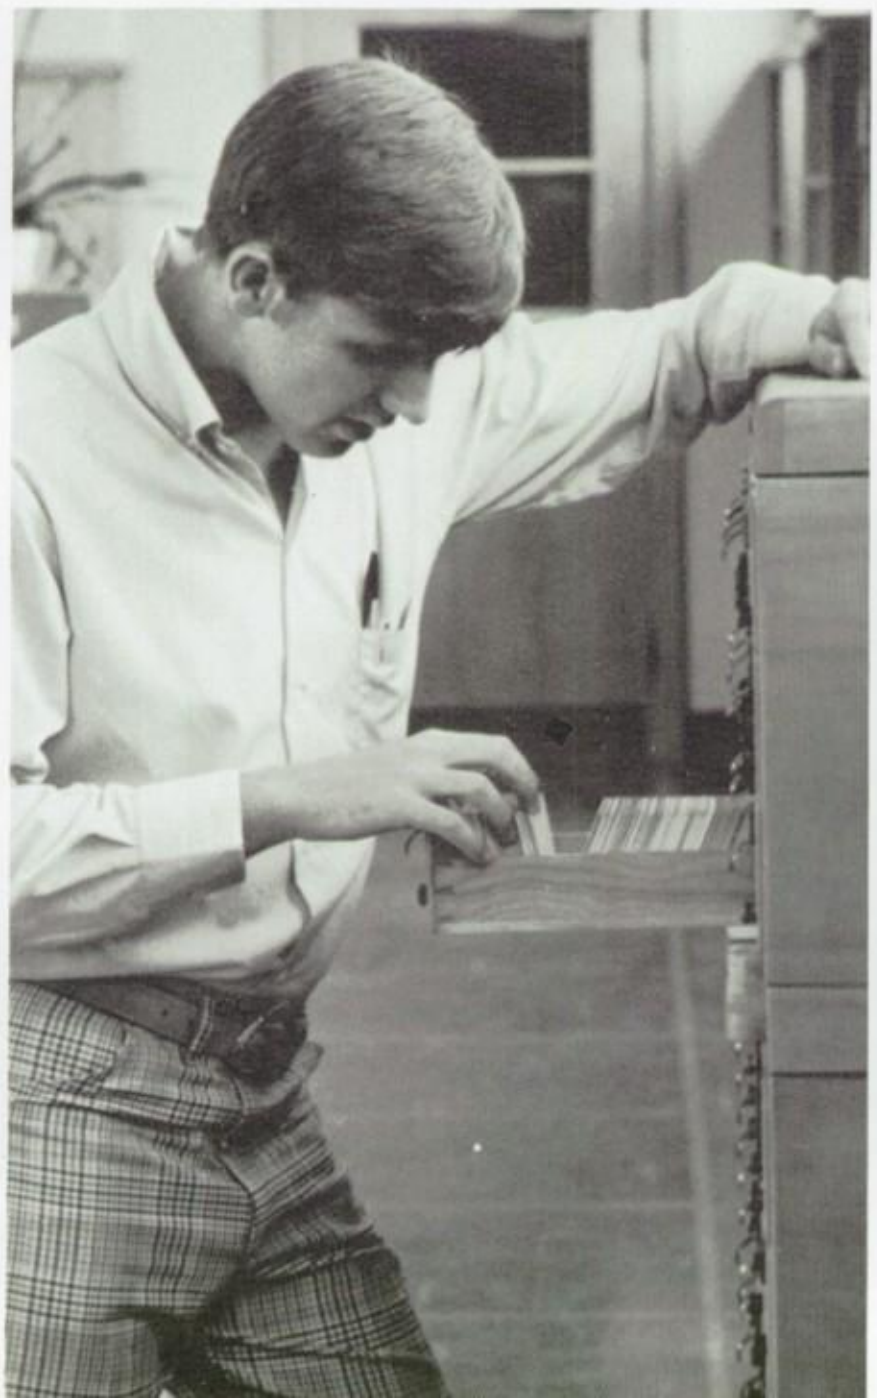
Mrs. Wynn tries to explain football to the girls.

Mrs. Wynn

Students give up their Study Hall to help in the Library.

Library Is a Storehouse of Knowledge

"Duh, what comes after 'G'?"



The Queen's Hive, Speak No Evil, The Blue Hen's Chick—sound interesting? There are nearly six thousand books in the West High Library just as interesting. Students could quickly find that many of these books could be very helpful in preparing special assignments for class. With Mrs. Cooper's help, information on almost any subject could be obtained from various sources.

Composed of approximately 15% of the senior class, the National Honor Society requires that its members possess the qualities of character, scholarship, leadership, and service. With help from its advisor, Mrs. Lee, N.H.S. chose an outstanding freshman and sophomore. It also sponsored West's Boy and Girl of the Month. Membership in this society was truly one of the highest honors a student at West could attain.

Several students who have shown outstanding journalistic work were chosen by Quill and Scroll, a national honor society. These students were chosen from the upper third of their class scholastically. They either served with the West Wind or the Westerner staffs. Elizabeth Anderson, President, and Mrs. Johnson as sponsor, headed the organization.

From Kiel, Germany, Almut Schladebach came to the house of the Nelson Venable's, her adopted family, to attend West High School and to learn more of the American way of life. In return, she helped broaden our knowledge of her native customs. To bring Almut to West, students volunteered their efforts for A.F.S. Tag Day and workday.

After rigid competition, Chris McMillan was chosen as West's A.F.S. student. He was adopted into a family living in Bussum, Netherlands. Here he was offered the rare opportunity to experience everyday life in another part of the world.

Mini skirts, maxi sweaters, body paint, all were a part of the fashion scene at West. Two local fashion boards, Millers and Sears, had representatives from West. Miller's Board selected Charmian Turney and Carucha Alexander from their applications and interviews. As West representatives they modeled for Millers and participated in the Miss Teenage America Pageant. Lisa Callaway was Sear's representative and carried out much the same duties as the Miller's Board members. Each representative had a special uniform created by the two stores.

Mr. and Miss West High Chosen

Mr. and Miss West High, Becky Venable and Eric Sublett.

In a very close race Becky Venable and Eric Sublett were chosen this year's Mr. and Miss West High. Becky has been active in National Honor Society and S.R.A. She has been a cheerleader, Girls' State representative, co-editor of the Westerner, and Homecoming Queen. Eric has excelled in several sports and was president of the S.R.A. this year. His artistic abilities won him the All-Southeastern Art Award, and he has done nearly all the decorations for dances, floats, and other special events.

Girls Win Outstanding Awards

Cyndy Bailes was this year's Betty Crocker Award winner.

Frances Carringer, Tina Gillespie, and Mrs. Hina were among one hundred-sixty students and adults who toured nine countries in the NASC's fifth European Tour for International Understanding. Highlights of the seven weeks abroad included a visit to the Headquarters of Radio Free Europe in Munich, Germany, a dinner at a school in London and a two-night stay with native families.

This year's Betty Crocker award was won by Cindy Bailes. The award is given to a senior in home economics making the highest score on a written test which pertains to the various areas of home economics. The test was given in December to all the senior girls taking home economics. Cindy's test then went to compete for the state award.

The cheerleaders keep spirits high.

"Rebels want the spirit stick!" was the frequent cry of the varsity cheerleaders last July at cheerleading camp. For their enthusiastic efforts they received first, second, and third place ribbons. They also captured the prized spirit stick. When they got home they began work again to raise money for new uniforms. After selling doughnuts and washing cars, the girls designed their uniforms and had them made. From the first pep rally to the last, through victory and defeat, the cheerleaders tried to keep up the spirit and plan something especially different to promote it.

Rebels Finish Football Season

The Rebels started their early season practice in the middle of August and worked long and hard till mid-November. Under the leadership of Coaches Marvin Mitchell, Walter Ganz, J. A. Beeler, and Hobert Shelton the footballers developed outstanding sportsmanship and team spirit. Their season record of 1—6—1 was far from excellent, but the young squad, containing only seven seniors, gained valuable game experience and showed great promise for the future. The Rebels played their best game against favored South. Their stonewall defense and charging offense displayed remarkable improvement over past games and showed the effects of strong team spirit. West's victory over Catholic gave the Rebs fourth place in the A Division. Individual honors went to Chuck Ramsey and Dwaine Evans, who made the first team of the All A Division squad. Ramsey was also named to the third string of the All K.I.L. team.

KNEELING: Coaches Shelton and Beeler. **STANDING:** Head Coach Mitchell, Captain Butch Messer, and Coach Ganz.

Jr. Quarterback Chuck Ramsey receives key stratagems from Coach Beeler.

with 1—6—1 Record

A drive by Tony Norman between tackle and end picks up vital yardage for the Rebels.

West Ties South . . .

Karns Defeats West 41—14

Despite tough offensive play, the Rebels lost their opening game to Karns 41—14. Chuck Ramsey's pass interception led to Carl Latham's 4 yard run across the goal line in the first quarter. The Rebels were then held by the aggressive Karns defense until the middle of the fourth quarter when Chuck Ramsey supplied both of the extra points. Outstanding on West's defense were Carl Latham, Butch Messer, and Bob Elliot.

Rebel defense: keyed up and always ready for the unexpected.

Doyle Downs West 33—0

The Rebels lost their second contest to a tough Doyle High squad which was making its first appearance on its home field in front of more than 3,000 fans. Bright spots for West occurred when Pat Dyer managed to recover a fumble, and Chuck Ramsey intercepted a pass. The Rebels unfortunately were unable to capitalize on their good fortune. Leading the Reb defense was Carl Latham, who also led the offense averaging 4.8 yards per carry and making 43 yards for the night.

Coaches Ganz and Beeler look on as the Rebs go through warm-up drills.

Rocky Roark outsprints a Farragut player to gain 30 yards on a pass from Chuck Ramsey.

Loses Homecoming to Farragut

Rebs Tie South 20—20

On September 20th, West played its finest game of the year against top-rated South. West scored first with a 31 yard run by Rocky Roark. In the third quarter Carl Latham dove from the one yard line to score, and Tony Norman, sidestepping three South defenders, ran 39 yards for the Rebels' final six. Chuck Ramsey was successful in two of three extra point attempts, but missed a 30 yard field goal in the closing moments of the game to leave the final score at 20—20. Defensive leaders for West were Carl Latham, Steve Shoemaker, and Jim Moore. Latham also led offensively with 77 yards, followed closely by Tony Norman with 54 yards, and Rocky Roark with 39 yards. Chuck Ramsey averaged 43.3 yards per punt and 51.0 yards per kick off.

Encouragement from Coach Beeler led the Rebels through many trying times.

The Rebels stop Farragut short of the first down.

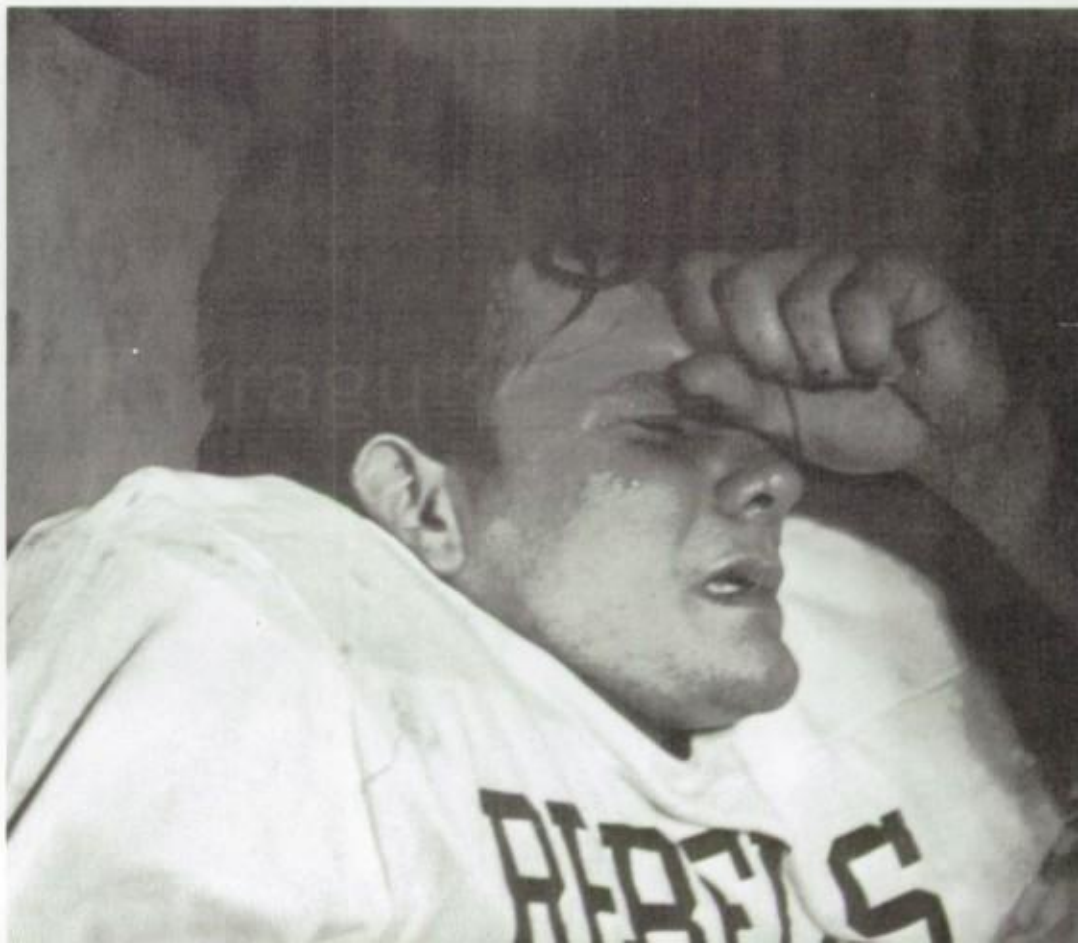
East Romps 45—0

On September 27th, the Rebels lost their first A division game to the Austin-East Mountaineers 45—0. Rocky Roark led the rushing for West with a total of 64 yards. Roark also received a pass from quarterback Chuck Ramsey for a 13 yard gain, and Tony Norman caught two passes for two yards each. Ramsey averaged 42.0 yards a punt, followed by Bill McSpadden's average of 35.6 yards. Bill Shepherd was outstanding on defense followed closely by Lisle Newlon, Ramsey, Gregg Hayes, and Jim Moore.

Farragut Beats West 40—2

Lisle Newlon's tackle for a safety produced West's only points as Farragut defeated West 40—2. Against the Admiral's charging defense the Rebels were held to a minimum yardage gain. Leading carriers for West were Chuck Ramsey with fourteen carries for a total of 21 yards and Gregg Hayes with fourteen carries averaging 2.5 yards per carry. Outstanding on West's defense were Tony Norman, Lisle Newlon and Dwain Evans.

Pain, sweat, disappointment—the price of glory.



Rebels Slip by

BULLDOGS RUN OVER WEST 54—0

Bearden's offense proved to be too powerful for the Rebels as the Bulldogs triumphed 54—0 on West's home field. Jr. Quarterback Chuck Ramsey completed 4 passes for a total of 31 yards, intercepted one Bearden pass, and punted 5 times, averaging 41.8 yards per punt. Bill McSpadden led the rushing for West, totaling 24 yards and averaging 8 yards per carry. West's defense was led by Jim Moore and Rex Norman.

REBS EDGE CATHOLIC 41—40

West slipped by Catholic 41—40 for the first win of the season. Chuck Ramsey and Rocky Roark led a spectacular offensive drive that produced 2 touchdowns in the first quarter. Pat Dyer's reception and Ramsey's sprint into the end zone brought the Rebels to a 28—19 lead at half-time. Again in the second half, Roark scored on a pass from Ramsey, who later plunged across the goal, providing West's final score. Ramsey got 5 out of 6 extra point attempts.

Quarterback Ramsey drops back for the bomb.

CENTRAL WINS 33—0

In the final game of the '68 season the Rebels were defeated by Central on the Bobcats' field by a score of 33—0. The Bobcats overwhelmed the Rebels in the first quarter, scoring a touchdown on the first play from scrimmage. Central continued to dominate throughout the remainder of the game as they added four more touchdowns. Seven seniors—Steve Williams, Steve Shoemaker, Bill Shepherd, Dwaine Evans, David Petree, Lisle Newlon, and Butch Messer —finished their Rebel football careers.

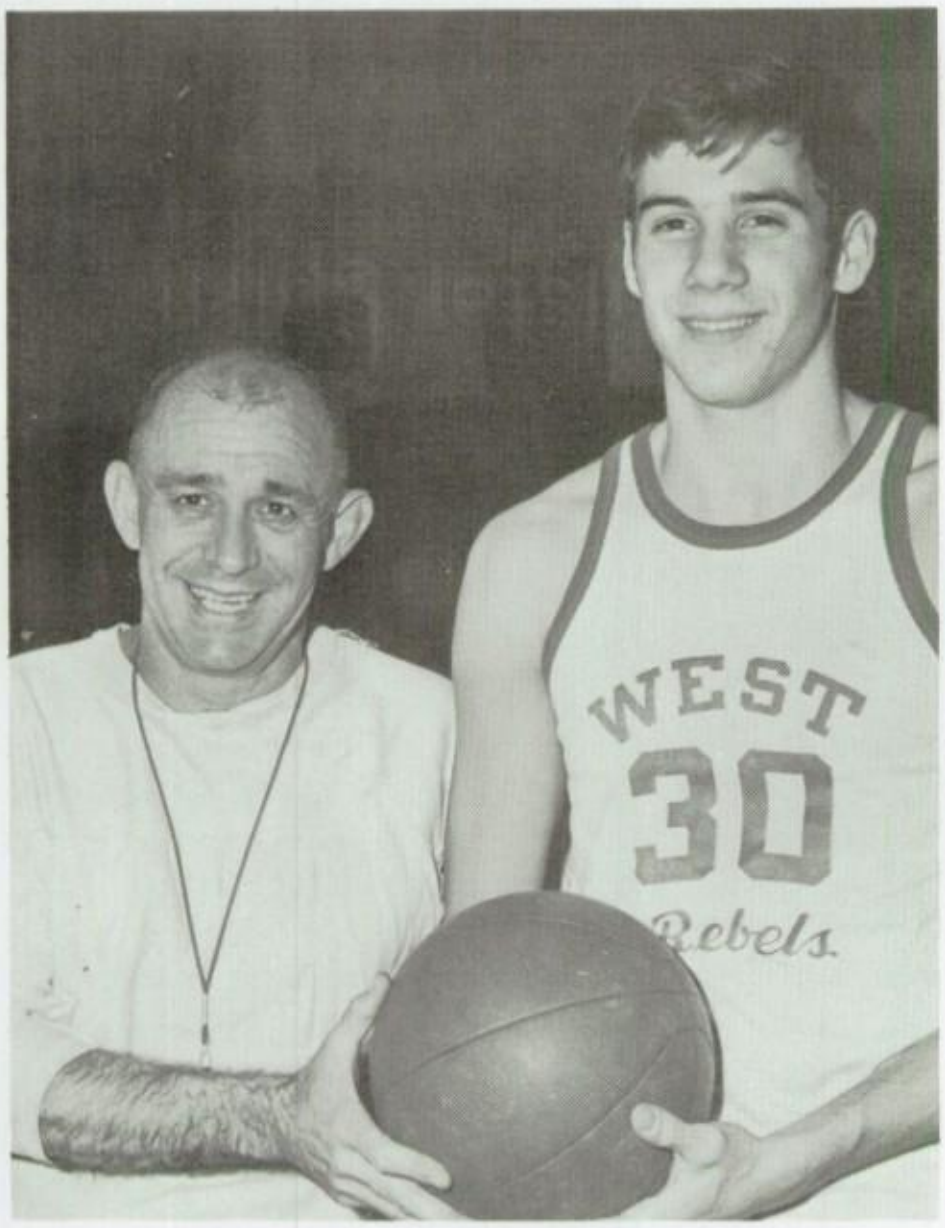
Coach Ganz and Captain Sandy Sharp.



Coach Walter Ganz's talented basketballers rallied near the close of the season to finish with a 6—15 record. West's first victory came against Rule, 61—59. Sandy Sharp, Fletcher Kelly, and Doug Johnston led the scoring with 25, 14, and 10 points respectively. After defeating T.S.D. 76—58, the Rebels played one of their finest games of the year with Austin-East. Although the Roadrunners won 64—62, Eddie Seiber gave a tremendous performance, scoring 10 field goals and 9 out of 14 foul shots. West's next win against Catholic started a four game winning streak ended only by South, the AA champions. During these games Sandy Sharp became the number one scorer in the K.I.L. Bobby Payne's perfect timing added a startling finish to the tournament game against Karns as the Rebels nipped the Beavers 53—52.

*TSAA Benefit Game

Sharp Number One in K.I.L.

With a 26.5 point average Sandy Sharp became the first West High basketballer to have the highest scoring average in the Knoxville Interscholastic League. In 18 games Sharp piled up 477 points. Gary England of Holston had led the league scoring till Sharp's 42 point effort in the TSD game. Being highest scorer, however, was only one of the honors earned by Sharp. He was chosen to the first string of the All-K.I.L. team and was one of four K.I.L. standouts to make the All East-Tennessee Team—another outstanding feat in West High History.

Number one K.I.L. scorer, Sandy Sharp, displays his remarkable talent.

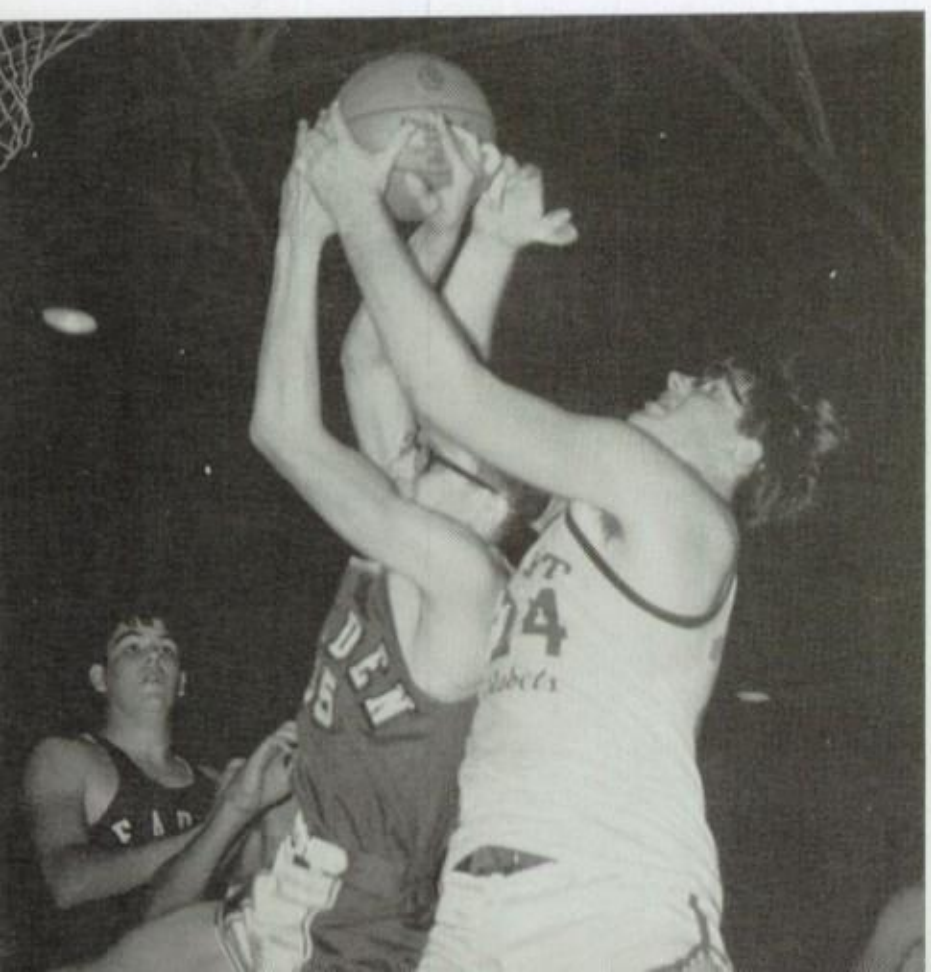
B-Team Shows Great Potential

Coach Jay Bayless' Baby Rebels showed much promise by winning several consecutive games after a slow starting season. Led by Wayne Bell, Donnie Smith, Pat Dyer, and Bill Barron, the B-team had a 7-9 record at the semester break. Their victory against Karns started a winning streak that was interrupted only by rival Bearden. Later in the season they gained revenge, downing Bearden 50—39. The young basketballers obtained the experience necessary for a successful varsity team next year.

Bill Barron battles with a Bearden player for the rebound.



Kenny Raby pivots for an opening.

B-Team Cheerleaders Bolster Spirit

Try-outs for B-Team Cheerleaders were held in October 1968. Those elected were Mary Jane Garcia, captain; Janie Wolfenbarger, co-captain; Virginia Ogle, Debbie Bailey, Vicki Jones, Annie Meredith and Cammie Dean, alternate. The cheerleaders put more spirit in the B-team games and supported the varsity cheerleaders at the pep rallies.

It takes practice, girls.

Rebel Runners Finish

Coach Jay Bayless directed this year's talented cross-country runners in one of the most successful seasons of West High's history. Led by Junior Bill Herron, the Rebels continually outran rival South to gain 2nd place in several all-comers meets. The Rebels, second only to Kingsport regionally, retained their standing in the regional meet as Herron shattered the course record with a 9:48 time over the two miles. The fired-up team finished 3rd in the State meet at Nashville with Herron missing the State record by a close 1.5 seconds. Stanley Cole and Bob Cox also made outstanding showings during the year with a 10:10 and 10:25 respectively. The Rebels paid for their victories with long hours of hard work in the morning and afternoon. A typical workout often totaled 10 miles or more of constant running.

Bill Herron edges Holston star George Barker with an unyielding pace.

FRONT ROW: Allan McCormick, Bill Rawson, Bob Cox, Stanley Cole. **BACK ROW:** Coach Jay Bayless, Herbie Nicholson, Bill Herron, Lynn Marshall, Mgr. Mike Carmichael.

Rebel Bladesmen

The Rebel bladesmen continued their winning ways in the high school hockey league. The Rebels went undefeated again this year for the fifth undefeated season in six years. They rammed through 97 goals in the first twelve games while holding their opponents to 8 goals. A big reason for the Rebels' success is goalie Rick Radcliffe. Radcliffe, who is just a sophomore, held down the opposition and has four shutouts to his credit. Several of West's leading offensive and defensive all-stars were chosen to the Junior Knights. These players, including Radcliffe, Bill Dempster, Jimmy Bennett, Steven Mayo, Robby Muller, Jimmy Ferguson and Kim Knight, are scheduled to play against teams from Dayton, Detroit, and St. Louis.
